

CARE PACKAGES FOR UKRAINIAN ORPHANS

What is a care package?

Care packages are an important gift for the orphans who are in our summer camps. Each care package includes the following items:

- 1 bar of soap (bath size)
- 1 large tube of toothpaste (4.6 oz)
- 1 toothbrush
- 1 washcloth
- 1 comb or brush
- 1 small toy

These care packages are shipped on our container to Ukraine in the fall, and are given out to hundreds of orphans during our summer camp ministry.

How can you help us?

We need your help collecting these gifts! There are several ways to get your church, school, and community involved. Here are a few ideas:

1 - If you're a teacher, share in your class about the needs of the orphans in Ukraine and have the students collect care packages for Little Lambs. Sending them home with a ziplock bag and a note of what contents are needed is a great help!

2 - Have your Sunday school class, small group, or Bible study collect care packages.

3 - Make it a church project. Talk with your pastor about getting your church involved.

4 - If you know someone who works for a corporation that can donate any of the contents needed, ask them! We can give tax-deductible receipts to corporations who donate to us.

5 - Have a bake sale or garage sale, using the proceeds to buy what is needed for care packages.

Please contact the Little Lambs office if you have questions about collecting care packages. Email littlelambsusa@sbcglobal.net or call (630)-260-1947.

Thank you for partnering with us!
